Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   Insight into what working in science is like

2. What did you hope to get out of the event?
   I’m interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)
   To see what Edinburgh University is like/can offer

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?
   Seeing cells being cultured + seeing labs

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?
   

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   It is very important and interesting to work in
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   To get experience

2. What did you hope to get out of the event?
   I'm interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

5. What was the highlight of the event for you?
   Meeting the scientists & seeing their work

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   They're doing a lot of interesting work
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   Get experience and more information about the different things you can do in science

2. What did you hope to get out of the event?
   I’m interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?
   Using the skittles to find out the genotypes and find out if person is high risk or not

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?
   It was good

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   Interested about how the different codes can lead to different genes/proteins
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   Get experience in a real life situation of science.

2. What did you hope to get out of the event?
   I’m interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?
   Student pedigree task

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?
   Slightly more complex themes as a lot has been covered in school

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   Interested about how genes pass down generations
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   
   To acquire more knowledge

2. What did you hope to get out of the event?
   I’m interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   Very interesting
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   - What life is like in researching/lab work

2. What did you hope to get out of the event?
   - I'm interested in/wanted to learn more about (your topic)
   - I wanted to meet and chat to a scientist
   - I wanted to find out more about how medical research affects my health and life
   - Another reason (give details)

3. To what extent did the event meet these expectations?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

4. To what extent did you enjoy the activity?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

5. What was the highlight of the event for you?
   - Being able to look at the technical work in a lab

6. Did you understand the scientific research that the scientist talked about?
   - All of it
   - Some of it
   - None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   - Yes
   - No
   - If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   - There are many opportunities to study different varieties of topics.
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   - So that I can gain experience within science.

2. What did you hope to get out of the event?
   - I'm interested in/wanted to learn more about (your topic)
   - I wanted to meet and chat to a scientist
   - I wanted to find out more about how medical research affects my health and life
   - Another reason (give details)

3. To what extent did the event meet these expectations?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

4. To what extent did you enjoy the activity?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

5. What was the highlight of the event for you?

6. Did you understand the scientific research that the scientist talked about?
   - All of it
   - Some of it
   - None of it

7. What could we have done to make the activity better?
   - Do more practical instead of just talking

8. Would you attend a similar activity in the future?
   - Yes
   - No
   - If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
The chance to get a better understanding of the field of medical research

2. What did you hope to get out of the event?
I’m interested in/wanted to learn more about (your topic)
I wanted to meet and chat to a scientist
I wanted to find out more about how medical research affects my health and life
Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?
   Finding out all the different fields of research at IGMM

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
The facilities at the IGMM are really good and I’m feeling more passionate about going into scientific research.
Science Insights 2017 Activity feedback form

1. What attracted you to come today?
   Learning about different careers in science

2. What did you hope to get out of the event?
   I’m interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don’t know

5. What was the highlight of the event for you?
   Learning about animal models and different genes

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   Open and an interesting place to be
Science Insights 2017 Activity feedback form

1. What attracted you to come along today?
   - Opportunity to gain more insight on various roles in Science & Works

2. What did you hope to get out of the event?
   - I'm interested in/wanted to learn more about (your topic)
   - I wanted to meet and chat to a scientist
   - I wanted to find out more about how medical research affects my health and life
   - Another reason (give details)

3. To what extent did the event meet these expectations?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

4. To what extent did you enjoy the activity?
   - Completely
   - Mostly
   - Partly
   - Not at all
   - Don't know

5. What was the highlight of the event for you?
   - Learning about Diabetes

6. Did you understand the scientific research that the scientist talked about?
   - All of it
   - Some of it
   - None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   - Yes
   - No
   - If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
Science Insights 2017 Activity feedback form

1. What attracted you to come along today?
   To gain experience

2. What did you hope to get out of the event?
   I'm interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

5. What was the highlight of the event for you?
   The puzzle activity

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   Complex but important
Science Insights 2017 Activity feedback form

1. What attracted you to come to come along today?
   To gain experience of different scientific environments

2. What did you hope to get out of the event?
   I'm interested in/wanted to learn more about (your topic)
   I wanted to meet and chat to a scientist
   I wanted to find out more about how medical research affects my health and life
   Another reason (give details)

3. To what extent did the event meet these expectations?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

4. To what extent did you enjoy the activity?
   Completely
   Mostly
   Partly
   Not at all
   Don't know

5. What was the highlight of the event for you?
   The Shuttle activity

6. Did you understand the scientific research that the scientist talked about?
   All of it
   Some of it
   None of it

7. What could we have done to make the activity better?
   Allow more time for it

8. Would you attend a similar activity in the future?
   Yes
   No
   If not, why not?

9. What is your impression of the IGMM and scientific research after attending this activity?
   They're a very well run group of things being done to this achieve the same thing
